## Group Training to Fit Your Schedule!

- Available dates on other side -

### How It Works:

- 1) Purchase a specific number of training sessions.
- 2) You choose the days that are convenient for you.
- 3) Come to class and have fun!
- 4) Unused classes may be claimed at the end of the summer and "cashed in" for a credit toward other services. (Must be used within six months of purchase.)

If one dog shows up - you will have the option of a 20-25-minute private session or a 40-minute lesson practicing parallel with the instructor's dog.
